## Rice Market Report

**Italy:** Officially the paddy Roma and the Baldo are no longer offered, there would be no more paddy available (excluding the contracts already made between the rice mills and the farmers). The same is true for Augusto and Loto at the Vercelli market this week.

There is always sometimes the possibility of having prices for certain milled rice at prices much lower than the real market prices, the situation having not really changed, still few new requests.

Official figures for sown areas are still not available.
