Rice Market Report

Italy: The market is blocked especially for round paddy. For Sole, farmers refuse to sell it at €260 or €270/MT, we know the prices they do not accept but finally we do not know exactly what price they want ... Big players in the market agreed to pay €300/MT for the paddy Centauro as well as for the Indica and the long A are also at €300/MT this week.

Unfortunately, the upward trend is confirmed. It would have been better not to accede so quickly to the farmers' demand of €300/MT. Now that they've got what they want, many people think that we will have to wait till January to get some price reductions.

By-product prices remain fairly stable, but it is still very difficult to find them.
