Rice Market Report

Italy: The situation is still very difficult in Italy. Indica paddy rice is sold at €350/MT, but even at this price it is hard to find farmers who are willing to sell it. On top, it is official they received the PAC, subsidy, so they don't need money.

The market remains virtually unchanged because there are virtually no businesses that have been made in recent weeks.

The by-products are scarce, and even with a contract in hand it is difficult to obtain loading dates
