Rice Market Report

Italy: We take this opportunity to wish you once again to all of you a Happy New Year 2016!!!

Today was the first market of the week. There was not much business. The Arborio increased to € 800/MT, with a low yield 57, which makes further increase on the finished product's price.

Rice mills propose €340/MT for Indica paddy but the farmers do not let go and still want €350/MT. They proposed €700/MT for the Carnaroli but farmers refused and they proposed €600/MT for the Vialone Nano but once more the farmers refused.

There were some prices decrease on long A but it should be noted that this is the first market, we will have to see next week when everyone will be back, what will happen..

Nothing changes for the by-products, they are difficult to find.
