## Rice Market Report

**Italy:** Baldo paddy price continues to increase, this week it reaches €380/MT but the farmers already want to have €400/MT.

Paddy prices of Arborio and Carnaroli are still decreasing. However it begins to be difficult to find Arborio's batches still having a good yield of 60.

The paddy Indica remains at the same level €300/MT or €310/MT with a long term payment.

Although there is no business on the long grain A farmers refused to sell this week at the price of €280/MT, they ask €290- €300/TM.

The situation of by-products is still the same, high prices and no a very little availability...
