Rice Market Report

Italy: The Arborio/Volano paddy went back to €450/MT a small increase of €10/MT on the paddy Carnaroli.. The Indica paddy is between €280-290/MT. There is no more Baldo/Roma available. For the rest, no change.

Most rice mills are busy producing / supplying rice contracts already concluded, since August and therefore annual holidays fast approaching. The loading programs are filling up at high speed, it becomes very difficult to have availability. Rice mills that are less busy, work for those who have too much.

There is still no news or official statistics for the new crop. What remains confirmed, for the moment, is its delay. Paddy should not be available until mid-end October.
