## Rice Market Report

**Italy:** The farmers refused to sell the paddy Round below €370/MT (long-term payment), some rice millers have spoken of €380/MT but I have no confirmation that this price has already been paid by someone yet. Their goal of farmers is to reach € 400/MT...

The paddy Indica is no longer sold at a price of €320/MT but the rice millers refuse to pay more, so for the moment officially price remains unchanged.

Everyone hopes that the situation will calm down a little after the holiday season, because it is very difficult to work in this way, farmers refusing to sell their paddy unless they always get more.

The by-product market is slightly less tense.
