Rice Market Report

Italy: As we were expecting the Baldo paddy price reached €400/MT this week.

The Indica paddy is once more at €310/MT. It is possible to find some batches with a prompt payment at €300/MT but generally the farmers want €310/MT.

The Arborio paddy continues to go down but be careful because the yield is also lowered, so it does not lower the price of the finished product, it is even the opposite.

The prices of by-products have dropped a little but this does not change the problem of the availability...
