## Rice Market Report

**Italy:** The paddy Carnaroli went from €750/MT to €800/MT, but it still has a pretty good yield. Rather Arborio has always lower yields ... Therefore nobody believes in a price reduction for this variety, the price trend to increase.

The Baldo went down, given that the Turkish market does not buy anything for months, because of high prices finally there is a reduction in the paddy price.

The Selenio increased to €420/MT, €20/MT more than last week

The paddy Indica, one truck here and there can be found at €340/MT but very small quantities.

Unfortunately farmers still do not have changed, no desire to sell, so it is difficult to purchase paddy....
