## Rice Market Report

**Italy:** The general situation does not really change. Paddy ROND still hard to get, few availabilities therefor the price remains high.

Paddy LONG A are the only ones which have a small decrease. Nevertheless it is necessary to pay attention at the yield and the payment terms.

The by-products are highly requested by Italians mills, therefore we cannot expect price decreases...

There is little demand and little movement, farmers are always busy in the fields and don't have much interest to go to the market.
