Rice Market Report

Italy: Following the purchase of long A by a Turkish customer the long paddy A has risen slightly. Paddy prices for Carnaroli as well as Carnaroli types are going down. price of some paddy long A has dropped slightly. This is also the case for the Arborio.

By cons still no decrease for round grain rice. Officially there are no more prices listed for Paddy Balilla and Centauro. For the Generico white rice we see fairly variable prices depending on the stock of the rice mill and also according to its need to sell.

The Indica meanwhile decreases slightly. Obviously we are talking about small quantities, if one buyer would request a large quantity on the market the price would go up again.

By-products prices are a deceasing slightly.
