Rice Market Report

Italy: There was an increase on the long A paddy of €50/MT on the Loto and Augusto and €30/MT on the others.

It's still a difficult market, the situation has not changed since last week, farmers do not sell their paddy easily and although that in approx. 10-15 days the harvest is completed. It is always difficult for rice millers to stock up and more to do business in the long run.

The by-products remain expensive too and are not so easy to find either.
