Rice Market Report

Italy: This week the Selenio paddy was bought at €550/mt and the Arborio paddy was bought at €450/mt by major market players. So, their prices have been officially increased in the Vercelli market price.

Indica paddy is still officially at €380/mt but in the market farmers do not sell it below €400/mt. The same applies to long A paddy.

As last week, farmers do not seem very inclined to sell paddy despite the high prices.

The prices of the by-products all increased by €10/mt. The rice mills have not much work so there are few by-products available. Some rice mills try to buy it from others.
