Rice Market Report

Italy: No major changes to note this week, the markets are calm. Just like last week the farmers do not have a great desire to sell. You will find the sale paddy situation updated from 24th January 2017 on separate document.

Some voices say that the paddy Augusto would have been sold at a price of € 400/MT on Tuesday, but with no confirmation, I remain cautious about it.

The situation of by-products is still the same, high prices and no a very little availability...
