Rice Market Report

Italy: On Tuesday at the Vercelli market the farmers asked €450/MT for the paddy Baldo but for now the rice mills resist and refuse to pay as much. Paddy Balilla is not offered, the indicated price is therefore indicative.

It is possible to have 1 or 2 trucks of Arborio white rice at a price of €560/MT but we are talking about prompt / immediate loading and find a rice mill that is not too busy at the moment.

We note a small price increase for breweries and parboiled rejects. It may be that the general idea of rice mills (that there will not be as much availability as initially thought) that getting confirmed.
