Rice Market Report

Italy: The paddy almost all increased by € 10/MT compared to last week. The farmers are still not happy with the prices and do not want to sell. In addition they constantly change their minds in the morning they offer a price and the afternoon they already don't want to sell at this price anymore. So you have to be very careful. Their goal is to arrive at €300/MT for paddy, round, indica and long A. Paddy Roma and type Roma-Barrone have increased €30MT.

As you have seen in recent weeks we no longer specify a delivery period, this is due to the fact as explained above that the farmers blocking the market and changing their idea as shirt is no longer possible, for the moment, to guarantee the prices for a given period.

By-product prices remain fairly stable, but it is very very difficult to find them right now.
