## Rice Market Report

**Italy:** The market is calm. There is not much going on. The rice mills are covered and they do not have much new demand so for the moment they do not buy. Which induces a few prices decreases. Paddy Sole is €270/MT. The indica is around €280-290/MT according to the terms of payments. A significant drop on the Baldo, it is no longer sought at this time.

The situation of ORGANIC is a little more complex, there are several possible prices depending on the purchase price of paddy, as they rose to €850-900/MT and today they are around €750/MT, it is not surprised to have big price differences. We put in the list prices that we had lately or that we know to have been contracted lately.
