

Rice Market Report

Italy: In 2-3 days, apart from a few latecomers, the farmers will have everything harvested.

This week only a few Selenio paddy trucks are sold at a price of €550/mt. Farmers already want €600/mt. For round grain rice, it is official the paddy increased from €400/mt to €450/mt, but farmers already want €500/mt, and they did not sell anything this morning at the Mortara market. So, the rice mills expect a further increase. They would also have in mind to obtain €450/mt for the paddy long A's.

Rumor has it that someone has paid €500/mt for the Arborio paddy, to see if this is confirmed ...

It becomes very difficult to make offers, especially in the long run. The farmers do not give a lot of availability of paddy, a few trucks here and there, but if we are looking to cover for a large quantity, 1000mt of finish product for example, it is impossible, they do not sell. In addition, the paddy increases almost every week...

The prices of the by-products all increased another €10/mt this week.
