Rice Market Report

Italy: Strong demand continues for ROUND grain and SUPERFINI especially ARBORIO and CARNAROLI.

The paddy DARDO and LUNA are available depending on time of payment and the quality, from € 380/MT but for poor quality to €400/MT top quality and payment at the end of August.

In general there is little interest in buying, very few market transactions, except for the round, Arborio and Carnaroli. On the top of that farmers are always very busy in the fields to finish seeding operations.
